

In the run-up to World Book Day, adults around school have been busy bees recording mystery voice clips for a special competition...

Staff have chosen an emoji to represent themselves and have recorded a short clip of them reading a couple of lines from a story... Can you guess who is the voice behind the emoji?

- To take part in the competition, visit the school website:
<https://www.abbeyprimaryschool.co.uk/>
- Click on the 'Children' tab at the top: 
- Go to 'World Book Day Competition' page: 
- Listen to each clip and guess which adult is reading the story. Write your guesses on the back of these instructions...

Once you have finished, hand your competition entry to your teacher.
