We wear a special

It looks like this:

Summer

Here are some things you
need to bring to
Foundation.

book bag

wellies

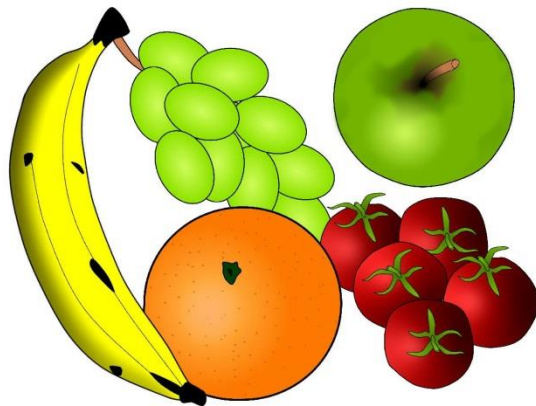

water
bottle

You will learn about
maths and phonics too.

Then we have snack
time.

After snack, it is independent learning time.

You can learn inside...

...or
outside!

Look at our fantastic
pirate ship!

Our pet chickens
lay very tasty eggs!

Here are the toilets we use.

Don't forget to wash your hands!

Later, we sing songs,
nursery rhymes and
share stories.

Then it is time to go
home.

We can choose lovely books to share at home.

Sometimes we bake lovely things to take home.

We have special days when our adults can come and work with us.

We really enjoy forest learning because we do lots of activities outside.

What an exciting place
Foundation 1 is!

See you soon!
