

'Reading for Meaning' - Whole-Class Reading at Abbey Primary School

At Abbey Primary School, we promote a love of reading and develop children's reading skills through the use of high-quality texts within whole class reading lessons (from Spring Term in Year 1). Book choices are based on a clear rationale that considers how a text can enhance and support other areas of the curriculum. All texts chosen are supplemented with non-fiction texts that support wider areas of the curriculum, or widen the knowledge required to understand the text.

	Autumn Term History Focus: Remember and Reflect	Spring Term Geography Focus: Explore and Excite	Summer Term 'The Arts' Focus: Innovate and Inspire
Year 1
