

## Foundation Stage 1 - Autumn Term 2025

### Our Learning Journey:

#### Autumn Term 1: Ourselves/Colours      Autumn Term 2: Parks and Woodlands

Exploration of the Foundation Stage Unit, meeting our teachers and making lots of new friends along the way are at the top of the list this term! Throughout our 'Colours' topic, everyone will be encouraged to share what is important to them including favourite colours, families, hobbies and pets. Using the wonderful stories, 'The Colour Monster' and 'Colour Me Happy', we will begin to talk about our different emotions.

We will take part in an exciting range of activities designed to develop our skills in all areas. We will develop our skills for D&T and Art which will see us getting creative with paint, chalk and pastels.

We will use a variety of different types of technology, including iPads, Beebots, Codeapillars and laptops to tap in to our technical skills.

#### 5 Senses

Weekly forest learning sessions will give us the opportunity to explore our exciting school grounds whilst using our body's five different senses and first hand experiences. We also can't wait to meet the school chickens and to learn how to take care of them. As well as learning about animals that can be kept as pets, we will find out about animals that live in parks and woodlands. These aren't suitable as pets, but we still need us to look after them. Can you think of a way to look after the animals in our world?

We will be learning all about the Christian celebrations of Harvest and Christmas. We are also looking forward to linking our music and RE skills when learning about the bright and colourful festivals of Diwali and Hannukah. This will be followed by us singing songs for Harvest and the Nativity story at Christmas.

Our beautiful voices will be heard all around school as we sing a range of nursery rhymes. Each week, music sessions will be spent exploring a variety of sounds and instruments. This will help us to become even better listeners too. We look forward to sharing our songs with you at home!

We will have a 'Sharing Book' which will contain lots of fun activities to enjoy with your child at home. This is a great opportunity to show our grown-ups just how clever we are growing!

Our family members are really important to us. During special family events, you will be invited to join us and see what we get up to! This term, we look forward to sharing our singing at Harvest and Christmas. There's so much to do, but it's going to be so much fun... and we can't wait to share it with you!
