

Be Safe, Be Smart!

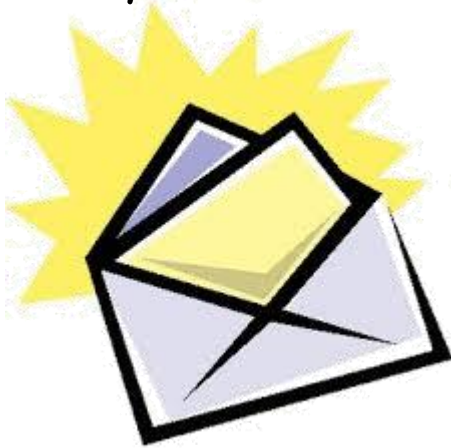

Never meet up with
people you have talked to
online!

Keep your personal
information private!

Only accept emails and
messages from people
you know!

REMEMBER!

Not all information on
the internet is true and
reliable.

TRUE

FALSE

SHUT THAT LID!

If you see something scary, upsetting or inappropriate shut
the lid of your laptop or on an iPad press the home screen
button and tell an adult. Don't make a fuss and don't show
your friends!
