Friday 11th September 2026

Dear Parents/Carers,

Today, your child will bring home their **Year 6 Homework Book**, which is a CGP SATs Question Book. These books have been purchased by school to support the children in developing and consolidating their knowledge and skills throughout Year 6, as well as helping them to prepare for the SATs papers they will sit during the summer term.

Homework will be set every Friday and is due to be returned to school on the following Wednesday. Each week, we will send a message to parents/carers outlining the specific pages that children need to complete. The homework will be carefully selected to link with the learning taking place in school that week, giving children an opportunity to practise, reinforce and consolidate the skills they have been developing in class.

Please ensure that your child brings their homework book back to school each week so that we can monitor their progress and provide any support they may need.

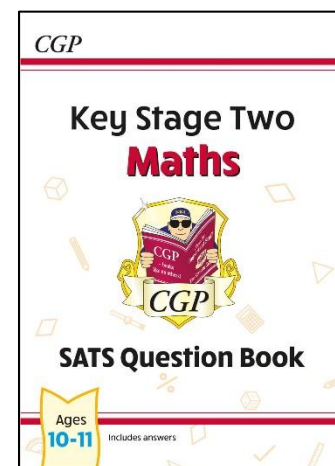

We have also spoken to the children about taking responsibility for looking after their homework book and completing tasks on time. We really appreciate your support in encouraging them to develop these important habits and in establishing a positive routine for completing homework at home.

If you have any questions about the homework or need any support, please don't hesitate to get in touch via the Year 6 email address: y6@abbey.notts.sch.uk.

Thank you for your continued support in helping your child with their learning at home - it really does make a difference!

Yours faithfully,

Miss Spalding
