Dear Parents/Carers,
September 2026

Friday 18th

Foundation Stage Fun Sports Afternoon

We are extremely excited to announce our annual Foundation Stage Fun Sports Afternoon, which will take place on Thursday **24th September 2026**. Children should come to school in trainers and sporty clothes suitable for outdoor activities on the field.

The gates will open at 1:00 pm, when your child will be released into your care for the afternoon. The event will finish at 3:00 p.m. Children will not be allowed to leave school before this time. Upon entry, the secure lines will close at 1:15 p.m. Any adults arriving after this time will need to enter via the school office. **Children will not require book bags on this day.**

The afternoon will consist of a variety of sporting activities, led by our Year 6 Sports Leaders, covering the fundamental areas of physical development, including movement, balance, throwing, jumping and catching.

Parents and carers will move around the field with their child and join in with the activities, so please dress appropriately, including suitable footwear.

Adult supervision

To help us plan appropriate staffing levels, we need to know which children will have an adult attending with them.

If a parent, grandparent, aunt/uncle, carer or other responsible adult aged 18+ will be attending the afternoon with your child, please complete the short form below.

We do not need to know which adults will be attending – we just need to know which children will have an adult with them.

If your child will have an adult attending, please complete the form here:

[Foundation Stage Fun Sports Afternoon – Adult Supervision – Fill out form](#)

If your child will not have an adult attending, you do not need to complete the form. We will use the information provided to ensure that we have enough staff available to support children who do not have an adult with them.

The form is simply to help us plan staffing and does not affect whether you are able to attend the event.

If you have any questions, please do not hesitate to contact us.

Kindest regards,

The Foundation Stage Team
