Dear Parents/Carers,

OPAL Autumn Treasure Hunt Challenge

As we move into autumn, we would love the children to help us continue developing our OPAL provision by taking part in an Autumn Treasure Hunt.

The idea is simple. Children are invited to complete a range of autumn-themed activities and collect sponsorship as they go. These could include activities such as collecting colourful autumn leaves, finding conkers or acorns, going on an autumn walk, spotting signs of autumn or creating something using natural materials.

We have attached a tree template that children could use for their sponsored challenge with suggested activities. Alternatively, you could get creative and draw or design your own autumn tree.

Each time your child completes one of the autumn activities, stick a coin to their tree. By the end of the challenge, we hope to see lots of wonderfully decorated autumn trees!

Children are also very welcome to think of their own autumn-themed activities and personalise their challenge. We would love to see their ideas and individual designs.

Every penny raised will be spent entirely on developing our OPAL provision and enhancing the play opportunities available to our children. The children have already shared some fantastic ideas for how they would like OPAL to develop, and their next big request is a water-play zone, which we would love to begin creating.

No contribution is too large or too small, and every donation will be very gratefully received.

Please return completed your Autumn Treasure Hunt by Tuesday 13th October, when we will also be holding our OPAL Stay and Play afternoon.

As an extra bit of fun, every child who returns a completed Treasure Hunt will be entered into a prize draw. Three lucky winners will receive a special Lunchtime Pass, allowing them to:

- jump the lunch queue
- sit at our OPAL Top Table
- enjoy some extra OPAL playtime for a whole week!

Thank you, as always, for your continued support and for helping us make Abbey such a special place to learn, play and grow.

Kind regards,

The Abbey OPAL Team
