Foundation Stage 2 Visits- Parent support

Dear Parents

Here at Abbey, we pride ourselves on offering the children many opportunities to broaden their experiences of the world around them. To do this, we undertake a variety of visits and locality walks. To ensure the safety of the children is maintained during these events, we are kindly asking that some parents (who have the capacity to do so) support us at these events. You will have recently received an overview of all the events and visits taking place throughout the year with all dates and times. Please look carefully at these dates and complete the links below if you are able to support.

Each forms link details the times and dates of each visit, as well as the attached document.

Library visits: [Library visits- 2026/27 – Fill out form](#)

Other visits/ locality walks: [Foundation 2 visit and trips- 2026/27 – Fill out form](#)

If for whatever reason you are no longer able to support a visit, please inform a Foundation 2 member of staff at the earliest opportunity. We understand that circumstances change but informing us in advance will ensure we can make any changes or amendments to documentation or find additional support, if required.

Should any trips, walks or events be cancelled or if dates are changed, we will notify all parents at the earliest opportunity.

If you have any questions about supporting our events, then please speak to a member of the Foundation 2 team.

Kindest regards

The Foundation 2 Team

Nursery Rhyme Day – Friday 6th November - Dress up suggestions

The importance of nursery rhymes for the under 7's

Nursery rhymes play an important role in early childhood development and education. As well as being fun they are excellent teaching tools:

Nursery rhymes and children's songs boost vocabulary and language development

They help children to develop literacy skills

They provide a fun way to support early numeracy skills

Nursery rhymes help children to develop social, physical and emotional skills.

- You do not need to buy a costume.
- Below are some simple suggestions to create your nursery rhyme outfit.
- Please spend some time singing the nursery rhyme with your child.
- Ensure it is a nursery rhyme and not a fairytale character (e.g. Snow White, Cinderella, etc.)
- No superheroes, please!

Doctor Foster - white doctor coat or large white shirt, medical bag, umbrella

Jack Horner - normal clothes, pie, make a pretend plum for his thumb

Little Boy Blue – blue clothes, toy sheep

Wee Willie Winkie - a nightshirt or pjs and dressing gown, slippers, a nightcap and a candle

Incy Wincy – black clothes with extra legs made of stuffed tights

Little Miss Muffet – a dress, bowl, spoon and spider

Little Bo Peep – a dress and a sheep

Jack and Jill – pair up with a friend! – dress/shorts & T-shirt, a bucket, brown paper for a bandage

Hey Diddle Diddle – cat tail and ears, make a cardboard violin

5 little ducks – dress in yellow with a pretend beak, or dress in blue like a pond and carry 5 ducks

5 currant buns – apron or bakers' hat, currant buns

The list is endless!

Pinterest, Instagram or an internet search will provide many more ideas.
