7th October 2026

Dear Parents/Carers,

Holiday Activities and Food (HAF) programme

Water

We are writing to let you know about the Nottinghamshire **Holiday Activities and Food (HAF) programme**, which is available to children who are eligible for **targeted free school meals**.

The HAF programme is run by Nottinghamshire County Council and provides **free activities during the school holidays**, with a meal included as part of each session. Activities can include sports, crafts, outdoor activities, cooking and other fun and enriching experiences.

The programme runs during the **spring, summer, autumn and winter school holidays**. Places are available at a range of venues across Nottinghamshire and **must be booked in advance**.

Please note that the HAF programme is completely separate from the Abbey Primary School Honeycomb Holiday Club. Honeycomb is our own Abbey Primary School holiday club, whereas HAF is a Nottinghamshire County Council programme delivered by a range of different providers and venues.

HAF is **not a food voucher scheme**. The support is provided through organised holiday activities, with food included as part of the session.

If your child is eligible for targeted free school meals, we would encourage you to look at the HAF programme and see what activities are available during the school holidays.

Further information, including details of available activities and how to book a place, can be found here:

[Nottinghamshire County Council – Holiday Activities and Food \(HAF\) Programme](#)

If you have any questions about the HAF programme, please contact Nottinghamshire County Council directly using the contact details provided on their website.

Kind regards,

Abbey Primary School
