We are currently recruiting for parent governors to work with us. You can find out more about what the role involves by reading the information leaflet 'Could you become a governor'.

How to stand for election

Our parent governors are elected by and from the parents of pupils attending our school. Parents or individuals exercising parental responsibility for a child registered at the school are eligible to stand for election.

If you would like to stand for election, please complete a nomination form downloadable below or available as a printed copy from the School Office. Your completed form must be returned to the school no later than Friday 6th November 2027.

It can be:

A sealed box will be available in the Reception Area for posting your form. You are responsible for ensuring that your nomination form is received by the deadline and ensuring it has been received.

If we receive more applications than there are vacancies, we will ask if you are willing to take part in an election for the position. A secret ballot will be carried out in which all parents and those exercising parental responsibility will be entitled to vote.

If you have any queries about this process or would like to find out more about the role, please email Diane Dakin, the governance coordinator at d.dakin@oneacademytrust.co.uk, or telephone the school office and leave your contact details and we will get back to you.
